**DIVINE INTERVENTION**

**W**elcome to the month that we are going to **Provoke Divine Intervention**. It's a month when Divinity wants to cooperate with humanity. God wants to arise and intervene in your situation.

**When God Intervenes in your life**

- All the enemies of your soul and destiny will scatter (Psalm 68, Deuteronomy 28:7).
- There is restoration (Jeremiah 27:22, Genesis 18:10).
- There is deliverance (Daniel 3:25).
- There is healing (Matthew 8:14-15).
- There are miracles, signs and wonders.
- Prophecies will begin to come to pass.
- Your prayer requests will become testimonies in Jesus Mighty Name.
- Your frustration and stagnation is coming to an end and your weeping will be over.

Every human or satanic operation in your life that has defied human wisdom will fail.

God will temperate every human or satanic operation in your life that has defied human wisdom in Jesus Name. Every late sunrise will hourly open in your life by the enemy while you were distracted, which has grown to become a problem in your life will be sorted up in Jesus Name (Matthew 13:23, Matthew 15:13). I prophesy into your life that God will put an end to every human or satanic manipulation concerning your destiny, body, business, marriage, or career in Jesus Name.

**The Controller of Time**

You need to realize that God is a **God of timing and order** (Isaiah 46:1). You can be sure that God is faithful and He will do

everything He has promised you, but it will be in **His time** (Isaiah 46:1). However, Psalm 30:14 says you can pray to God to satisfy you **early**. This means that God has the prerogative to either follow the natural order of things or accelerate the happenings in your life. If God says this month we should provoke Divine Intervention, it means that God has heard someone's heart cry who is desperate for the manifestation of His miracles. There are times you may need to break the normal order of things and say **NOW** is the time of deliverance (2 Corinthians 6:2).

God made the Sun to stand still to enable Joshua accomplish his purpose (Joshua 10:12). God moved back time by ten degrees for Hezekiah (Isaiah 38:8). God slowed down the Egyptians so that the Israelites could cross the Red Sea (Exodus 14:24-25). God caused Elijah to outrun the chariots of King Ahab that had gone ahead (1 Kings 19:4-6).

**How to Provoke Divine Intervention**

To **provoke** means to **incite** or **stimulate** into action. An action will always bring about a reaction. God is saying that this season, there has to be an action from you to get a reaction from Him. Therefore, in order to show God how desperate you are, you need to do the following:

1. **Activate a violent faith:** This was demonstrated by the friends of the man sick with palsy in Mark 2:4-12. They removed the roof of the house where Jesus was teaching when they could not gain access through the door or window. While some

people are waiting for open heavens, these friends understood Isaiah 64:1 that God can rend the heavens so that miracles can manifest speedily. When Jesus saw their violent faith, He had to suspend all that He was doing to attend to them. If God can see your faith, He will change the order of things and suspend what He is doing in order to attend to you, because you refuse to be limited by what limits others.

2. **Pray and fast (Daniel 10:1-4, Daniel 9:2-3):** There are situations that demand fasting and praying according to the Bible in Matthew 17:21. In such situations, you need to intensify your prayers - don't keep silent and give God no rest until He intervenes in your situation (Isaiah 62:6-7, Luke 18:1-8). Jacob in Genesis 32:26 literally through his persistent prayers "arm-twisted" God into blessing him.

3. **Give a violent offering:** 1 Kings 3:3-5 tells us of the uncommon offering King Solomon offered to God because of his love for God which precipitated immediate intervention from God. Hannah offered to God the child she was still requesting for, and God immediately arose and opened her womb.

4. **Give God an Unusual Prayer:** When you praise God in spite of your circumstances like Paul and Silas did in Acts 16:25-26, you will provoke Divine Intervention.

5. **Show of Praise (2 Chronicles 13:14-16, Joshua 6:20):** A show of praise to God provokes Him to

instantly intervene in one's situation as He did for Judith and Esther.

In conclusion, in Mark 2:5 Jesus had to first deal with the issue of sin before He could heal the man that was sick with palsy. Sin provokes a calamitous kind of Divine Intervention. A day is coming when the wrath of God will be fully unleashed on all sinners. Do not procrastinate because no one knows the day nor the hour. **NOW** is the best time to run to God while His Loving Arms are still outstretched. If you are willing to repent and surrender your life to Jesus Christ, then pray this prayer: **Right now, I know I am a sinner, please forgive me my sins. With my mouth, I confess that Jesus, from right today, I accept You as the LORD of my life. Please forgive me my sins. I plead the Blood of Jesus to wash me clean of every sin that I have committed. I believe that it is because of me You came into this world. You died for my sins. You took away my sins; take away my problems also. Please visit my name in the Book of Life and intervene in my situation in Jesus Mighty Name.**

Do not judge, and you will not be judged. Do not condemn, and you will not be condemned. Forgive, and you will be forgiven. - Luke 6:37

**REWARD OF THE WICKED**

**F**rom our previous lessons, we learnt that God rewards the righteous that will not touch them, but the evil will not touch you. As you shall see, the wicked receiving their reward (Proverbs 17:11, Proverbs 11:8). God is angry with the wicked every day (Psalm 7:11); many sorrows shall be to the wicked (Psalm 32:10). The wicked are candidates for God's anger and many sorrows, and they can never receive God's favour unless they repent.

Sadly, most of the time, the wicked that are against the righteous will not repent. The Bible admonishes us to love and pray for our enemies, but there are some wicked people that have been assigned from the pit of hell, and their mission is to steal, kill and destroy. Some are direct, some are subtle, some are deceptive, and whichever tactic they use, they have a mission. They will not repent until they pull you down. Thus, you have no option than to pray and confess the Scriptures so as to ensure that you enjoy the protection of the LORD from wicked beings. There are times that people will not receive the Gospel or righteousness until they receive judgement (Isaiah 38:9-10). Once you are in a right standing with Jesus Christ, God promises that the only thing you will see is the reward of the wicked (Psalm 91:7-8). Don't forget that Psalm 91 is not really a prayer; it is a promise from God that you need to declare always. Therefore, knowing that you have God's cover as His child and the wicked will always get their reward, you must consistently do

the following three (3) things:

- 1. Put on the whole armour of God.** Once you are born-again you have a comprehensive insurance policy of God's protection which is the Holy Spirit (Psalm 91). Despite Paul knowing that there is a guarantee of God's protection, he admonishes us to put on the whole armour of God so that we will be able to stand against the wiles of the devil (Ephesians 6:11-13). Wiles is the tricky, deception and strategy of the devil. The enemy at times is not going to come in a way that you expect, but you must constantly put on the whole armour of God to withstand the wiles of the enemy. The whole armour are the helmet of salvation, the shield of faith, the sword of truth, the sword of the Spirit, Word of God, and the breastplate of righteousness. Don't be deceived, the wicked secretly get close to you so you can drop your guard and then, they strike you (Psalm 11:2). Hence, you have to be alert. That is why the Bible says you have to be sober and vigilant at all times. Sometimes, the tragedy is that the wicked don't even know who they are working for i.e., they are not even aware that they are wicked. That is why Jeremiah 17:9 says: "The heart is deceitful above all things, and desperately wicked; who can know it?" When the enemy shoots an arrow at you, you unintentionally become more introspective than God centres. You start focusing on yourself, you start feeling sorry for yourself, you start complaining about things around you, and you start getting sad and depressed for no reason in particular. You suddenly become fearful of everything. The enemy does this to force you to trust God less and start to lean more on your

self, abilities and trust in man. Whenever you feel this way, start quoting the Scriptures (Psalm 27:1-3). The Scriptures have been given to us as a weapon of warfare (1 Timothy 3:7).

- 2. You diligently maintain your fellowship with the LORD (Psalm 27:4-5).** Relationship is what you get when you become born-again, but fellowship is what you get when you make an effort to get close to God. Intimacy with the Holy Spirit is what gets you to the place that you can issue a decree and Heaven will endorse it. David paid the price of fellowshiping with God to develop an intimacy with Him, and it made a lot of difference. The kingdom of darkness knows that the closer you are to light, the more light you become. The more power you have, and the more you can dispel the power of darkness. So, the kingdom of darkness will resist it by bringing distractions your way. You have to be determined because you know the value of constant fellowship with God, and hence, do not allow anything to distract you.

- 3. Be sure that you are in right standing before God and be focused on pleasing God always (Psalm 139:23-24).** The difference between David and Solomon was that God knew that anytime he confronted David with the truth, he would repent, and David was always hungry to please God at any cost.

This is why Proverbs 16:7 says, "When a man's ways please the LORD, he maketh even his enemies to be at peace with him."

Finally, God says you are protected and covered, but please ensure that you do the three (3) things listed above; then you will realize that the enemy will be far from you, you will be able to reign in life and always have victory all the time. However, if you have never confessed Jesus Christ as your personal LORD and Saviour, you need to surrender your life to Him so that you can wade off attacks of the enemy. If you are willing to repent and surrender your life to Jesus Christ, then pray this prayer right now: **LORD Jesus, I come to You right now. I know I am a sinner, please forgive me my sins. With my mouth, I confess that from right now, Jesus, I accept You as the LORD of my life. Please change my heart from a disobedient heart to an obedient heart. I believe that it is because of me You came into this world. You died for my sins. You took away my sins, take away my problems also. Please write my name in the Book of Life, wash me clean with the Blood of Jesus, take away all my burdens and make me brand new in Jesus Mighty Name.**

**DON'T WORRY**

Look at the birds of the air; they do not sow or store away in barns, and yet your Heavenly Father feeds them. Are you not much more valuable than they? Who of you by worrying can add a single hour to his life? - Matthew 6:26-27

**HEALING**

**INUOMA (FY) ALEX-ENGAR - HEALING**

I bless the Name of the LORD for my life and for my family. In 2014, I contracted renal cancer which persisted until it was diagnosed in Tuberculosis. During that time, I was also having stomach ache which was confirmed as faecal. Our family doctor was so afraid that the strong antibiotics for the Tuberculosis treatment might damage my organs and also reduce my chances of getting pregnant. To God's glory while undergoing treatment, I attended a Holy Ghost Service at Redemption Camp and Daddy G.O gave word of prophecy that "There is someone here, you are on a treatment that has damaged your organs. God is giving you a brand new organ." I thanked God in His mercy because me of the Tuberculosis and the faecal operation (mysectomy) was successful. During one of our morning devotion, God spoke through my husband that we should buy baby items, and we obeyed. To my amazement, 5 months after the faecal operation, I was confirmed pregnant even before my womb was completely healed. By the grace of God, I carried the pregnancy to 39 weeks and was delivered of a blessed baby girl (Praise God).

**NGOZI AND FESTUS OHE - HEALING AND PROVISION**

On Friday, August 11, 2017, my hubby called to tell me that he had taken our other son to the hospital, as he was having a high temperature. I asked if he needed me immediately, he declined but requested that I stopped by to fill some forms at the hospital. I stopped by to fill the forms and inquired about our son, and my hubby told me that he was with the doctor. I went back to work to close for the day and by the time I got back to the hospital, I was told our son had been taken to the emergency ward.

I was shocked and began to pray to God for healing and deliverance. The next day, our son could not recognise me, his speech was slurred and not audible. When the doctor asked him questions, he responded out of context. I became scared but refused to believe the doctor's diagnosis that he had Acute Meningitis, that his white blood cells were infected, and that he was suffering from Central Spinal Meningitis. On the morning of Sunday, August 13, he was transferred to the ICU. I called friends, family members and pastor to join us in prayer. By Monday evening, he had a CT scan and nothing was found. His medication continued and my son began to talk, his speech began to improve, and by the Friday morning of that week, my son was discharged from the hospital. I thank God that my sweetheart was at home when it all started and was able to take care of our other two children at home while I was with our son at the hospital. I also thank God for the Pastorate and Prayer Department. Also, we thank God for His faithfulness and provision. God blessed our company with a new offices and we successfully completed a training that had about 2,000 participants in attendance. Glory be to our God!

People went into our parent's house to steal their generator but no one was hurt. God gave us an increase in our business. For all these and more, we thank God!
